Playday is the annual celebration of the Children's Right to Play in the UK.

The 2021 theme, Summer of Play, recognises the challenges children and young people have faced over the past year and the need to enjoy time for play with their friends, having fun.

- Playing is essential for children's mental health and wellbeing.
- Playing helps children cope with stress and anxiety and fosters resilience, enabling children to better deal with challenges.
- Playing gives children the opportunity to have fun, laugh, take time out, relax, and build friendships.
- Playing outside allows children to appreciate nature, the environment, and feel part of their community.
- Playing is fundamental to children's happiness, and happy children lead to happier communities.
