

ILP

*Want to better understand your own leadership strengths?
Interested in exploring how to maximise innovation and
impact, whether in your research, with industry, through
entrepreneurship or with policy makers?*

The Innovation and Leadership Programme (ILP) is a leadership initiative designed to empower post-doctoral researchers, lecturers and Associate Professors in scientific disciplines at the University of Oxford to explore an Innovation Leadership mindset.

A hand with red nail polish holds a glowing yellow lightbulb. The background is a light blue wall with various colorful brushstrokes in shades of pink, orange, green, and purple. The lightbulb has a blue base and a yellow glow. The text 'March 2025' is overlaid on a dark blue rectangular box at the bottom right of the image.

March 2025

Core Course Highlights:

- **Expertise:** The course is designed and delivered by leadership experts.
- **Flipped classroom:** The course blends online materials, presentations, and small group discussion sessions for an interactive learning experience.
- **Flexibility:** The optional masterclasses can be taken separately, allowing participants to choose the ones that align with their interests and schedules.

Programme Dates 2025:

- Monday 17th March | 10:00-13:00 (in person)
- Wednesday 19th March 2025 | 10:00-14:00 (online)
- Friday 21st March 2025 | 10:00-13:00 (online)
